

The 2020 Trumbull SWCD Junior Envirothon and POWA Pymatuning/Shenango Watershed Challenge have combined & gone *VIRTUAL*!

Weeks 1 & 2 – October 5th – October 16th

Register students as a team or as individuals; Access Resources on Station Topics on Trumbull SWCD's Website

If students are not able to work together as a team due to COVID-19 protocols or if you do not have enough students to form a team, please register the interested students as individual competitors (do not put a team name on the registration form).

Weeks 3 & 4 – October 19th – 30th

Receive links to videos and/or presentations for the 5 station topics: Aquatics, Forestry, Soil, Watersheds, & Wildlife

Optional: Schedule a training session with your local conservation district staff

Week 5 – November 2nd – November 6th

Receive access to the 5 tests on Monday, November 2nd; teams and individual competitors have until Friday, November 6th to complete them and submit them/return them to Amy Reeher, Trumbull SWCD

WINNERS ANNOUNCED ON MONDAY, NOVEMBER 9th
