

2023 Conservation Poster Contest

Sponsored by Trumbull SWCD

Rules

- ◆ The 2023 Poster Contest is open to all students in grades K-12. Students in public, private, or home school are welcome to participate.
- ◆ Any media can be used to create a flat or two dimensional effect as National judging is based on a digital photo of the winning posters. Size restriction is set to no larger than 11x17. Digital images must be clear and well-framed.
- ◆ All posters must be created by an individual student rather than a team of students.
- ◆ The 2023 theme, "One Water" must be included on the front side of each poster.
- ◆ A signed and legible entry form must be secured to the back of the poster to be eligible for judging. If submitted by email, please fill out the form, sign the form, and submit.
- ◆ Why your student/child should participate? Project based learning through poster design and researching the theme can give your student/child an opportunity to express their voice on local conservation issues and showcase their creativity and talent. (And it's fun!)

Due Date: by May 7, 2023

Posters are due to
Trumbull SWCD
520 W. Main Street, Ste. 3
Cortland, Ohio 44410

Or email digital posters to
amy@trumbullohswcd.org
